Is this frequency in use?

Good Evening everyone. This is the Adair County(and surrounding areas)
Amateur Radio Emergency Services Net for _____ (day, month, date, year).
(break) This net meets every Friday night at 7:30p.m. local time.
 My call is _____ and my name is _____.
I will be net control for this evening. (break)
 The purpose of this net is to promote amateur Radio activity, establish alternate routes of communication for served agencies in case of emergencies in the area, promote good will among radio operators and the community at large where Amateur Radio is concerned. (break)

We will now listen for any emergency, priority or time value traffic. Please call
(your call)
 (break)
Announcements for the net please come now.
(list any from net control)

Now we are calling low power, short time, mobile or portable stations; please come one at a time.

Now listening for any amateurs anywhere wishing to check into the net; please call net control.
_____(your call)

After he net:

Thank you everyone for checking in tonight.
 We will now close the net at : (time)
Returning the frequency to normal Amateur use; this is (your call).
